## Summary

This briefing collates all the reports published by the Defence Committee between May 2010 and May 2024 and reflects the period the Conservative party was in government. We have not included government responses to reports.

The Defence Committee was one of the four committees that formed the Committees on Arms Export Controls and these reports are also included here.

The briefing also lists reports by the Public Accounts Committee and the National Audit Office that address issues that come under the remit of the Ministry of Defence.

Reports are arranged chronologically by Parliament. Links to reports are to PDFs. The briefing includes the names of the committee Chairs.
