Slovak	920	Guyanese	239	Bruneian	72	Tobagonian	22	Bermudian	4	Trukese	1		

Notes: Names of nationalities are presented exactly as they are reported in the NHS data. Nationality is self-reported, so nationalities don't necessarily correspond directly to nation-states. Nigerian & Nigerien are separate nationalities for Nigeria and Niger respectively. 'Motswana' is a singular term for a person from Botswana. 'Congolese' covers Congo and DRC.
