POST (the Parliamentary Office of Science and Technology) 2019. Research for Parliament: Preparing for a changing world. 2019. UK Parliament

POST is an office of both Houses of Parliament, charged with providing independent and balanced analysis of policy issues that have a basis in science and technology. For further information on this subject, please contact the project lead, Dr Jonathan Wentworth. Layout and design, Lef Apostolakis. Parliamentary Copyright 2019.
