

RESEARCH PAPER 06/05  
1 FEBRUARY 2006

# Economic Indicators, February 2006

This Research Paper series summarises the main economic indicators currently available for the UK, along with comparisons with other major OECD countries for selected indicators.

The series also includes an article on a topical issue.

This month's article:

## **The 80% employment aspiration**

Next publication date: **1 March 2006**
